few, alas, habitually sleep the night through and
rise refreshed.If you can't sleep it is because your nerves will not
let your body rest. Women's nervous troubles
come from female diseases. Their delicate or-
ganism is a network of intricate nerves. No woman can suffer from
female irregularities without eventually ruining her nervous system.
Get rid of female disease and the perfect sleep of childhood will return.

Lydia E. Pinkham's Vegetable Compound

sound, restful, healthful, natural sleep. Thus does this wonderful
remedy operate to bring health to suffering women.

Wakefulness and Nervousness Cured

Dear Mrs. Pinkham:—Last spring, I lost my appetite, had headaches, and bearing
down pains with cramps so that I was in perfect misery. I became wakeful and ex-
tremely nervous.I decided to try Lydia E. Pinkham's Vegetable Compound, and am pleased to state
that I derived immediate benefit and soon enjoyed permanent relief.Within eight weeks I was restored to normal health and felt refreshed and
strengthened as though I had enjoyed a lengthy vacation.Since that time I have recommended your Compound to a number of my lady
friends suffering with female irregularities, and those who have used it report great
benefit from its use.
